Corydon, IA 50060
January 26th, 2018

Dear Good Girls Consigners:

Ruble Cattle Services is excited to be managing this year's Good Girls 2018 Spring Sale. This year's Good Girls Sale will be held at James E. Ward Agricultural & Community Center, Lebanon, TN on May 12th, 2018.

Marshall and I are planning on building on the success of last year's spring sale. Last year we were able to market cattle and genetics in numerous states throughout the country. We have opened marketing opportunities for you to sell cattle and genetics across the US. Last year we moved the sale from Bowling Green KY to Lebanon, TN to take advantage of a nicer facility and to be closer to more of our Southern customers and it worked resoundingly.

This year's cattle market is growing stronger and will be higher as green grass approaches. What we need from you is your best. This is an opportunity to showcase your program to Tennessee and the nation. We are looking for top end donors, bred cows, cow calves, bred heifers, open heifers, pregnancies, embryos, semen, and select bulls. We really can use high quality cow calf pairs both 3 in 1s, split pairs, and young later calving pairs. Please make sure to have high quality pictures for the ads and sale catalog. We don't have breed restrictions or rules we just want to sell good marketable cattle. **We need entries and pictures by March 25th** or sooner for ads. Please let us know as soon as possible how many lots you are planning on consigning to the sale. We are really looking forward to having a great sale with your participation.

Sincerely,

Jeremie and Marshall Ruble
